

MISSUNDAZTOOD

Pink

<http://www.resistinggi.com/UserFiles/File/Misunderstood.mp3>

I might be the way everybody likes to say,

I know what you thinking about me.

There might be a day, you might have a certain way

but you don't have my luxuries. And it's me I know

I know my name cause I say it proud, everything I want I always do.

Looking for the right track, always on the wrong track,

BUT ARE YOU CATCHING ALL THESE TRACKS THAT I'M LAYING DOWN FOR YOU

There's a song I was listening to up all night

There's a voice I'm hearing saying it's alright

When I'm happy I am sad but everything's good

IT'S NOT THAT COMPLICATED I'M JUST MISUNDERSTOOD

There might be a day everything it goes my way,

can't you think I know I'm superfly. I might see a world

in a world inside of you, then I just might say goodbye. And it's my name

I know I say it loud cause I'm really proud of all the things I used to do.

Cause it's the wrong track looking for the right track

AND ARE YOU CATCHING ALL THESE TRACKS THAT I'M LAYING DOWN FOR YOU

There's a song I was listening to up all night

There's a voice I'm hearing saying it's alright

When I'm happy I am sad but everything's good

IT'S NOT THAT COMPLICATED I'M JUST MISUNDERSTOOD

There's a song I was listening to up all night

There's a voice I'm hearing saying it's alright

When I'm happy I am sad but everything's good

IT'S NOT THAT COMPLICATED I'M JUST MISUNDERSTOOD

Yeah, Yeah, Yeah,

I'M WITH YOU

Avril Lavigne

You're standing on the bridge. I'm waiting in the dark.
I thought that you'd be here, by now. There's nothing but the rain.
No footsteps on the ground. I'm listening but there's no sound.
Isn't anyone trying to find me. Won't somebody come take me home.
It's the damn cold nights, trying to figure out this life.
Won't you, take me by the hand take me somewhere new.
Don't know who you are but I, I'm with you, I'm with you.

I'm looking for a place. I'm searching for a face.
Is anybody here I know. Cause nothing's going right.
And everything's a mess, and no one likes to be alone.

Isn't anyone trying to find me. Won't somebody come take me home.
It's the damn cold nights, trying to figure out this life.
Won't you, take me by the hand take me somewhere new.
I don't know who you are but I, I'm with you, I'm with you.

Why is everything so confusing. Maybe I'm just out of my mind.
yeah, yeah-yah, yeah-yah, yeah-yah, yeah-yah, YEAH-yaha

It's the damn cold nights, trying to figure out this life.
Won't you, take me by the hand take me somewhere new.
I don't know who you are, but I, I'm with you, I'm with you.
Take me by the hand take me somewhere new.
I don't know who you are but I, I'm with you, I'm with you.
Take me by the hand take me somewhere new.
I don't know who you are but I, I'm with you, I'm with you.

I'M WITH YOU

IT MUST HAVE BEEN LOVE - Roxette

<http://www.resistinggi.com/UserFiles/File/MustBeLove.mp3>

must have been love; but it's over now.

Lay a whisper, on my pillow; leave the winter, on the ground.
Wake up lonely, a stare of silence, in the bedroom, and all around.
Touch me now, I close my eyes, and dream away.

It must have been love, but it's over now.
It must have been good, but I lost it somehow.
It must have been love, but it's over now.
From the moment we touched, til the time had run out.

Make believing, we're together, that I'm sheltered, by your heart.
But in and outside, I've turned to water, like a teardrop, in your palm.
And it's the hard, winter's day, I dream away.

It must have been love, but it's over now.
It was all that I wanted; now I'm living without.
It must have been love, but it's over now.
It's where the water flows; it's where the wind blows.

It must have been love, but it's over now.
It must have been good, but I lost it somehow.
It must have been love, but it's over now.
From the moment we touched, til the time had run out.
Yeah, It must have been love, but it's over now.
It was all that I wanted; now I'm living without.
It must have been love, but it's over now.
It's where the water flows; it's where the wind blows.

IT MUST HAVE BEEN LOVE; BUT IT'S OVER NOW, NOW...
it must have been love; but it's over now, now...

ETERNAL FLAME - Bangles

<http://www.resistinggi.com/UserFiles/File/EternalFlame.mp3>

Close your eyes, give me your hand, darling.
Do you feel my heart beating, do you understand.
Do you feel the same, am I only dreaming.
Is this burning an eternal flame.

I believe, it's meant to be, darling.
I watch when you are sleeping, you belong with me.
Do you feel the same, am I only dreaming.
Or is this burning an eternal flame.

Say my name, sun shines through the rain a whole life so lonely
and then come and ease the pain.
I don't want to lose this feeling. Ohh....

Say my name, sun shines through the rain a whole life so lonely
and then come and ease the pain.
I don't want to lose this feeling. Ohh....

Close your eyes, give me your hand.
Do you feel my heart beating, do you understand.
Do you feel the same, am I only dreaming.
Or is this burning an eternal flame.

Close your eyes, give me your hand, darling.
Do you feel my heart beating, do you understand.
Do you feel the same, am I only dreaming.
Is this burning an eternal flame.

Close your eyes, give me your hand, darling.
Do you feel my heart beating, do you understand.
Do you feel the same, am I only dreaming... an eternal flame.

Close your eyes, give me your hand, darling.
Do you feel my heart beating, do you understand.
Do you feel the same, am I only dreaming.
Is this burning an eternal.....

ANGEL

Sarah McLachlan

Spend all your time waiting, for that second chance.
For the break that would make it OK. There's always some reason
to feel not good enough. And it's hard at the end of the day.
I need some distraction, or a beautiful release. Memories seep
from my veins. Let me be empty, and weightless and maybe
I'll find some peace tonight.

In the arms of the Angel, far away from here.
From this dark cold hotel room, and the endlessness
that you fear. You are pulled from the wreckage,
of your silent reverie. You're in the arms of the Angel,
may you find some comfort here.

So tired of the straight line, and everywhere you turn.
There's vultures and thieves at your back. The storm
keeps on twisting, keep on building the lies, that
you make up for all that you lack. It don't make no
difference escaping one last time. It's easier to believe
in this sweet madness, oh this glorious sadness.
That brings me to my knees.

In the arms of the Angel, far away from here.
From this dark cold hotel room, and the endlessness
that you fear. You are pulled from the wreckage,
of your silent reverie. You're in the arms of the Angel,
may you find some comfort here.

You're In The Arms Of The Angel, May You Find Some Comfort Here.

WHEN YOU SAY NOTHING AT ALL

Ronan Keating

<http://www.resistinggi.com/UserFiles/File/SayItBest.mp3>

It's amazing how you can speak right to my heart.
Without saying a word, you can light up the dark. Trials I made
I could never explain, what I hear when you don't say a thing.

The smile on your face lets me know that you need me.
There's a truth in your eyes saying you'll never leave me.
The touch of your hand says you'll catch me, wherever I fall.
You say it best, when you say nothing at all.

All day long I can hear people talking out loud.
But when you hold me near, you drown out the crowd.
Try as they may, they could never define.
What's been said between your heart and mine.

The smile on your face lets me know that you need me.
There's a truth in your eyes saying you'll never leave me.
The touch of your hand says you'll catch me, wherever I fall.
You say it best, when you say nothing at all.

The smile on your face lets me know that you need me.
There's a truth in your eyes saying you'll never leave me.
The touch of your hand says you'll catch me, wherever I fall.
You say it best, when you say nothing at all.

You say it best, when you say nothing at all.
You say it best, when you say nothing at all.
The smile on your face, the truth in your eyes.
The touch of your hand lets me know that you need me.
You say it best, when you say nothing at all.
You say it best, when you say nothing at all...
