Don't talk to strangers; keep away from the danger, yeah yeah.

Don't talk to strangers who smile, keep away from the danger

all the time, you just keep away..ohh!...ohh!...

just keep away, yeah...ohh!...

Red lights are flashing, there's been a misunderstanding, yeah yeah.  
I'm bruised and broke and bandaged, through drinking all that brandy.

I was, under the table but I came back for more, got to hit that bottle

**BUT MY HEAD HIT THE FLOOR WITH THAT:**

Danger, Danger, don't talk to Strangers

Stranger, Danger, don't you talk

Danger, Danger, don't talk to Strangers

Danger, Danger, don't talk keep away

Red lights still flashing, people all still dancing in my head.

I've done with thinking, about what to do.

Another bout of drinking just one before I'm through.

I was just raising hell I wasn't doing no harm.

The cops could not appreciate my natural charm.

I'm a Danger, Danger, don't talk to Strangers

Stranger, Danger, don't you talk, don't talk

Danger, Danger, don't talk to Strangers

Danger, Danger, ...Yeahhh...

Don't talk to Strangers

Danger, Danger, don't talk to Strangers

Stranger, Danger, don't you talk, don't talk

Danger, Danger, don't talk to Strangers

Danger, Danger, don't talk keep away

Danger, Danger, don't talk to Strangers  
Stranger, Danger, don't you talk, don't you talk

Danger, Danger, don't talk to Strangers

Danger, Danger

Don't you go talking to no Stranger in this town
