I'm going to wake up, yes and no, I'm going to kiss some part of  
I'm going to keep this secret, I'm going to close my body now  
I guess, die, another day, I guess, die, another day  
I guess, die, another day, I guess, die, another day

I guess I'll die another day, another day I guess I'll die another day  
another day, I guess I'll die another day, another day, I guess I'll die  
another day "Sigmund Freud" analyze this, analyze this, analyze this

I'm going to break the cycle, I'm going to shake up the system  
I'm going to destroy my ego, I'm going to close my body now  
UH, ULK; I think I'll find another way, there's so much more to know  
I guess I'll die another day, it's not my time to go, for every sin  
I'll have to pay, I've come to work, I've come to play, I think I'll  
find another way, it's not my time to go

I'm going to avoid the cliché, I'm going to suspend my senses  
I'm going to delay my pleasure, I'm going to close my body now  
I guess, die, another day, I guess I can die, another day  
I guess, die, another day, I guess I can die, another day  
I think I'll find another way, there's so much more to know  
I guess I'll die another day, it's not my time to go, UH, ULK;  
I guess, die, another day, I guess I can die, another day  
I guess, die, another day, I guess I can die, another day  
Another Day, Another Day, Another Day, Another Day
