How high are the stakes; how much fortune can you make.
How high are the stakes; how much fortune can you make.

It's funny; I spent my whole life wanting to be talked about.
I did it, just about everything to see my name in lights.
Was it all worth it, and how did I earn it.
Nobody's perfect, I guess I deserve it.

How high are the stakes; how much fortune can you make,
does this get any better.
Should I carry on, will it matter when I'm gone.
Will any of this matter.

It's funny; how everybody mentions my name, they're never very nice.
I took it, just about everything except my own advice.
Was it all worth it, and how did I earn it.
Nobody's perfect, I guess I deserve it.

How high are the stakes, how much fortune can you make,
does this get any better.
Should I carry on, will it matter when I'm gone.
Will any of this matter.

How high, does it make a difference; nothing lasts forever.
Should I, will it matter when I'm gone; will any of this matter.

How high are the stakes; how much fortune can you make.
Should I carry on; will it matter when I'm gone.
How high are the stakes; how much fortune can you make; does this get any better.
Should I carry on, will it matter when I'm gone; will any of this matter.

How high are the stakes, does it make a difference,
doesn't lasts forever, does this get any better, should I carry on,
will it matter when I'm gone, does it make a difference.
Will Any Of This Matter?

How high are the stakes; how much fortune can you make.
Should I carry on, will it matter when I'm gone.
How high are the stakes, how much fortune can you make.
Should I carry on?
WILL IT MATTER WHEN I'M GONE?
