good morning son I am a bird wearing a brown polyester shirt
you want a coke maybe some fries the roast beef combos
only nine ninety five it's okay you don't have to pay I've got
all the change everybody knows it hurts to grow up
and everybody does so weird to be back here let me tell
you what the years go on and we're still fighting it
we're still fighting it and you're so much like me I'm sorry
good morning son in twenty years from now maybe well both sit
down and have a few beers and I can tell you about today
and how I picked you up and everything changed you was pain
sunny days and rain I knew you'd feel the same things
everybody knows it sucks to grow up and everybody does
it's so weird to be back here let me tell you what the years
go on and we're still fighting it we're still fighting it
you'll try and try and one day you'll fly away from here
good morning son...I am a bird...good morning son...it was pain
sunny days and rain I knew you'd feel the same things
everybody knows it hurts to grow up and everybody does it's so
weird to be back here let me tell you what the years go on and
we're still fighting it we're still fighting it oh we're still fighting
it were still fighting it and you're so much like me I'm sorry
