

GIVE YOU THE WORLD – Smokey Wilson

<http://www.resistinggi.com/UserFiles/File/GiveUWorld.mp3>

are we together one two three...ha haa...you said

you could had a house in Hollywood you could
of found a man buy you diamonds and gold one
thing I love about you : you choose me and that

makes Smokey Wilson want to sing the blues
but if you standby me one day baby one day

I will give you the world you said I could have
been driving a Cadillac and I could of had a house
in Beverly Hills but it's one think I love about you

Smokey I choose you and that make me want to

really sing the blues and if you standby me one day

baby one day I will give you the world..all right..

oh..ah ahh..here I go again fellas.. it ain't nothing
but the blues...I've been playing in Tokyo and I've

been all the way down in Mississippi I played the
blues everywhere and everywhere I played that's

why they say I choose you and that makes Smokey
Wilson one hell of a blues singer and if you standby

me one day baby one day I will give you the
world..are you listening..all you blues singers out

there are you listening..it ain't nothing but the
blues..whoaa..I can't hear you...ha ha ha haa...

I choose you and that make me really want to sing the
blues but if you standby me one day : one day

I will give you the world
