<http://www.resistinggi.com/UserFiles/File/GoingToCA.mp3>

spent my days with a woman unkind smoked my stuff and
drank all my wine made up my mind to make a new start
going to California with an aching in my heart someone told
me there's a girl out there with love in her eyes and flowers in
her hair took my chances on a big jet plane never let them tell
you that they're all the same *oh* the sea was red and the sky
was grey wondered how tomorrow could ever follow today
the mountains and the canyons started to tremble and shake
as the children of the sun began to wake *watch out* seems
that the wrath of the gods got a punch on the nose and it
started to flow I think I might be sinking throw me a line if I
reach it in time I'll meet you up there where the path runs
straight and high to find a queen without a king they say she
plays guitar and cries and sings *la la la la* ride a white mare in
the footsteps of dawn trying to find a woman whose never
never never been born standing on a hill in my mountain of
dreams telling myself it's not as hard hard hard as it seems
