it's your world I'm just living in it now it's your world  
I'm just living in it now ah but someday someday baby  
I'll get my own world somehow you have hissed me  
mama front of my family and friends hurt my feelings  
now but that's the way your ruling is cause in your  
world baby nobody else can win -I'm going to put a  
stop to that now-

well it ain't going to be just your world no more no no  
no no baby ain't going to be your world no more cause  
your world ends the day baby right outside your door  
right outside your door

it's your world I'm just living in it now oh it's your  
world baby I'm just living in it now but someday  
someday baby I'm going to get my own world somehow  
-I'M GOING TO GET MY OWN WORLD BABY-
