**Trying to be misunderstood, but it doesn't do me any good.  
Love the way-n they smile at me, held their face for eternity.  
Now let them all fly off.**

**When it comes down, it all comes down,  
and you will not be found.  
When it's over, it's all over, even if I make a sound.**

**I'll be misunderstood, by the beautiful and good in this city.  
None of it was planned. Take me by the hand.  
Just don't try and understand.**

**Trying to be misunderstood, just a product of my childhood.  
& still I find myself outside. You can't say I haven't tried.  
Perhaps I tried too hard.**

**No excuses, I won't apologize, or justify your lies.  
Come find me, tell them to me.  
Look me in the eyes.**

**I'll be misunderstood, by the beautiful and good in this city.  
None of this was planned. Take me by the hand.  
Just don't try and understand.**

**Can't forgive, sorry to say.  
You don't know you're guilty anyway.  
Isn't it funny how we don't speak  
the language of, LOVE.**

understand the language of law, my language of love, then you too will be misunderstood
