

## INTO THE OCEAN – Blue October

<http://www.resistinggi.com/UserFiles/File/Ocean.mp3>

I'm just a normal boy that sank when I fell  
overboard my ship would leave the country but I'd  
rather swim ashore without a life vest I'd be stuck  
again wish I was much more masculine maybe then  
I could learn to swim like fourteen miles away now  
floating up and down I spin colliding into sound like  
whales beneath me diving down I'm sinking to the  
bottom of my everything that freaks me out the  
lighthouse beam has just run out I'm cold as cold as  
cold can be I want to swim away but don't know  
how sometimes it feels just like I'm falling in the  
ocean let the waves up take me down let the  
hurricane set in motion yeah let the rain of what I  
feel right now come down let the rain come down  
where is the coastguard I keep looking each  
direction for a spotlight give me something I need  
something for protection maybe flotsam junk will  
do just fine the jetsam sunk I'm left behind I'm  
treading for my life believe me how can I keep up  
this breathing not knowing how to think I scream  
aloud begin to sink my legs and arms are broken  
down with envy for the solid ground I'm reaching  
for the life within me how can one man stop his  
ending I thought of just your face relaxed and

floated into space I want to swim away but don't  
 know how sometimes it feels just like I'm falling in  
 the ocean let the waves up take me down let the  
 hurricane set in motion yeah let the rain of what I  
 feel right now come down let the rain come down  
 now waking to the sun I calculate what I had done  
 like jumping from the bow yeah just to prove that I  
 knew how yeah it's midnight's late reminder of the  
 loss of her the one I love my will to quickly end it  
 all set front row in my need to fall into the ocean  
 end it all into the ocean end it all into the ocean

GOODBYE

end it all into the ocean end it all into the ocean

GOODBYE GOODBYE GOODBYE GOODBYE

end it all into the ocean end it all into the ocean

GOODBYE

end it all I want to swim away but don't know how  
 sometimes it feels just like I'm falling in the ocean  
 let the waves up take me down let the hurricane  
 set in motion yeah let the rain of what I feel right  
 now come down let the rain come down into the

GOODBYE GOODBYE GOODBYE GOODBYE GOODBYE

ocean end it all into the ocean end it all into the

GOODBYE GOODBYE GOODBYE

ocean end it all into the ocean end it all into the

GOODBYE GOODBYE GOODBYE
