Are you a man who loves & cherishes & cares for me, Is that true,  
Is that true, Is that true. Are you a guard in a prison, maximum security.  
Is that true, Is that true, Is that true. Do we stay home all the time cause you  
want me to yourself. Is that true, Is that true, Is that true. Or am I locked  
away out of fear that I'd find someone else. Is that true, Is that true, yeah.

Well I don't like, living under your spotlight, just because you think  
I might, find somebody worthy. Well I don't like, living under your  
Spotlight. Baby if you treat me right, you won't have to worry.

Is this a relationship, fulfilling your needs as well as mine, Is that true,  
Is that true, Is that true. Or is this just my sentence, am I doing time.  
Is that true, Is that true, Is that true. If this is love, real real love, then  
I'm staying no doubt, Is that true, Is that true, Is that true. But if I'm just  
love's prisoner, then I'm busting out, Is that true, Is that true, yeah.

Baby I don't like, living under your spotlight, just because you think  
I might, find somebody worthy. Well I don't like, living under your  
Spotlight. Baby if you treat me right, you won't have to worry.

Oh you ought to be, ashamed of yourself, what the hell do you  
think you're doing. Loving me, loving me, so wrong, baby all I do  
is try, to show you that you're mine, one and only guy. No matter  
who may come along, open your eyes cause baby I don't lie.

Cause I don't like, living under your spotlight, just because you think  
I might, find somebody worthy. Well I don't like, living under your  
Spotlight. Baby if you treat me right, you won't have to worry.

Well I don't like, living under your spotlight, just because you think  
I might, find somebody worthy. Well I don't like, living under your  
Spotlight. Baby if you treat me right, you won't have to worry.
