Na Na Now that don't kill me, can only make me stronger.
I need you to hurry up now, cause I can't wait much longer.
I know I got to be right now, cause I can't get much wronger. Man I've
been waiting all night now, that's how long I've been on you.

I need you right now, I need you right now, let's get lost tonight.
You could be my black Kate Moss tonight, play secretary
I'm the boss tonight and you don't give a fuck what they
all say right awesome. The Christian and Christian Dior dam they don't
make them like this anymore. I ask, cause I'm not sure do anybody make real
shit anymore. Bow in the presence of greatness, cause right now
thou has forsaken us. You should be honored by my lateness
that I would even show up to this fake shit so go ahead go nuts

tell who made this new gospel homey take six, and take this, haters

I know I got to be right now, cause I can't get much wronger. Man I've
been waiting all night now, that's how long I've been on you.

I need you right now, I need you right now. I don't know if you got a man or not,
if you made plans or not, God put me in your plans or not, I'm tripping this drink
got me saying a lot, but I know that God put you in front of me. So how
the hell could you front on me, there's a thousand you's there's only one of me
I'm tripping, I'm caught up in the moment right. Cause this is Louis Vuitton dime night
so we going to do everything that Kan like heard they'd do anything for a Klondike
well I'd do anything for a blonde-dike and she'll do anything for the limelight
and we'll do anything when the time's right ugh, baby you're making it
HARDER, BETTER, FASTER, STRONGER

Na Na Now that don't kill me, can only make me stronger.
I need you to hurry up now, cause I can't wait much longer.
I know I got to be right now, cause I can't get much wronger. Man I've
been waiting all night now, that's how long I've been on you.
